## About Me

I am a professional videomaker based in Lisbon, Portugal. I graduated in Communication Science and have been working in video production since 2008. I specialized in short documentaries, my main clients being third sector organisations with a clear social concern. Most of my films so far have focused on human development projects and life stories.

## Skills

Scriptwriting ● ● ● ● ●  
Filming ● ● ● ● ●  
Editing ● ● ● ● ●

## Experience

FREELANCER VIDEOMAKER 2010-Present

I usually deliver a full package of video services - scriptwriting, interviews, footage, animations and subtitles. I shoot, edit and manage the online publishing of the contents I produce.

JOURNALIST 2008-2010

Produced TV reports about immigration and multiculturalism for "Nós" programme at RTP2.

## Education

COMMUNICATION SCIENCE 2005-2008

Instituto Superior de Ciências Sociais e Políticas  
Universidade de Lisboa

VIDEO PRODUCTION 2010-Present

Technical training: Adobe Premiere Pro, Adobe After Effects, Kdenlive Video Editor, Audacity Sound Editor, GIMP Image Manipulation Program, Subtitle Editor.

## Interests

Entrepreneurship and social innovation, intergenerational projects, migrations, education and human rights. I'm available for work commissions abroad or I can work remotely from Lisbon.

## Clients

Calouste Gulbenkian Foundation  
Ashoka Portugal  
Agah Kahn Foundation  
Instituto Padre António Vieira
